I, \_\_\_\_\_ (PRINT NAME), hereby authorize StrikeForce Sports to perform upgrade / repair work to the item I am dropping off in their care. The Strikeforce Sports tech department reserves the right to deny work for any reason. All work performed will be subject to the discretion of the technical staff. If work is completed or denied, I agree to pick up my gun and/or accessories within **6 months** from the date of first attempt at contact informing me of the completion / denial of work by the StrikeForce Sports tech department. Failure to pick up my gun and/or accessories means I have abandoned my property at the StrikeForce Sports facility and I **surrender ownership**. I agree to bring my **repair ticket stub** when I come to pick up my gun or accessory. Failure to do so can result in an additional **\$10.00 charge** in addition to the cost of the repair / upgrade. I agree to a **\$30.00 flat fee labor charge** for complete disassembly of internal mechanical components of electric or gas guns.
